

Way of Life!

DR-Z70

Laying The Foundation Of Riding Fun

Torque-packed, electric-starting 67cm³ 4-stroke engine. Super-cool race-style looks. An easy and fun choice for children to learn the fundamentals of riding. With an adequately sized engine and adequately sized chassis, the user-friendly DR-Z70 is ready for many enjoyable years down the road.

DR-Z70

Champion Yellow No.2 (YU1)

67cm³ engine

Electric starter switch

Starter lever

- 67cm³ air-cooled 4-stroke twin-valve engine - adequately sized and packed with torque.
- Combination of 67cm³ engine power and 10-inch front wheel makes for ample tractable power on various terrain.
- The user-friendly DR-Z70 engine meets United States federal emission regulations along with California "Green Sticker" requirements.
- An automatic clutch and a smooth-shifting 3-speed transmission put the fun-riding power to the terrain.
- Push-button electric starter and traditional kick starter-a convenient dual starting system offering flexibility when teaching the basics.
- The starter lever is conveniently located on the handlebars for easy accessibility.
- Chassis designed for user-friendly dimensions and to realize a lightweight electric-starter-equipped machine.
- Adequately sized with a 550mm (22in) seat height for beginners learning to ride or more skilled riders dropping the gate at their local track.
- Sleek, super-cool race style appearance inherited from its RM-Z big brothers, adorned in Championship Yellow or Black.
